New Cotton Fabrics.
If you are seeking for the best of the finer grades of cotton goods—many of them sold cheaply, you will find them in our stock. The card of all the latest and the most desirable styles are contained in the petitions laid before the committee on eligibility held last week. The Committee on Eligibility is now in session and will continue to hear cases until the next grand conference. The question of the eligibility of women to be members of the Methodist church was discussed this provision all the afternoon and the question was again submitted to vote during the four conference, and that the question be submitted to the next grand conference without prejudice to any future action of this conference.

Matlings and Carpets.
The modern Japanese Matlings are very distinct from the older-fashioned Chinese mattings in both appearance and make. The Japanese are more delicate in figure and border—the Chinese, however, are heavier in weight.

We import our own stock of both kinds of matting. Heavy yard is being driven this season. There are 15 patterns, in all grades, from 10c to 25c the yard.
